

Updated 01 October 2016.

- 1) The **Italian Castles Award (D.C.I.)** is issued from **Section A.R.I. of Mondovì** (Cuneo) for O.M. and S.W.L. with the purpose to let know the Castles built in the different points of the Italian geography and to valorise its historical and architectural patrimony.
- 2) For obtaining the Award, that will have released in a single category, the applicant will have to show to have contacted the following number of Castles:
 - Italian stations: **30 castles of Italy situated in at least 5 different Regions** for the HF.
 - Italian stations: **10 castles of Italy situated in at least 2 different Regions** for the VHF (50MHz and up).
 - Foreign stations: **20 castles of Italy situated in at least 5 different Regions.**In every case it will be obligatory to contact **at least a castle of the Province of Cuneo** for the HF.
- 3) Contacts on all ham radio bands, from 2 to 160 meters, and in the SSB, CW, RTTY, SSTV and any other digital mode are valid. There is not differentiations of mode or band.
- 4) Contacts with working stations from the Castle are valid since **January 1st. 2001.**
- 5) The **D.C.I.** Award is issued to each O.M. or S.W.L. by presenting to **Award Manager (Betty Sciolla, IK1QFM)** or to **Technical Award Manager (Massimo Balsamo, IK1GPG)** of the **Section A.R.I. of Mondovì C/o Segreteria, Via Torino 89, I-12084 Mondovì (Cuneo) Italy**, as follows:
 - 5.1) **Application form of DCI** completed on each point (downloadable from web site at <http://www.dcia.it>) and file **DCI_DaACC.TXT** generated by DCI program of IK6CAC (<http://www.ik6cac.com>).
 - 5.2) **From 01/01/2008 the QSL cards** won't owe to be sent to the Checkpoint because the control will automatically be effected by the Award Managers during the elaboration of the data with the Software I0SSH-Log-DCI-Dbase.
 - 5.3) **Cost of the Award** is equal to **13 Euro** or **17US\$** (shipping and handling costs for Europe), **15 Euro** or **20US\$** (shipping and handling costs outside Europe).
 - 5.4) **Endorsements** are free and now issued on electronic form.
 - 5.5) It is possible to use PayPal. Please contact us for further information.
- 6) Owners of D.C.I. Award could use **DCI logo** on their QSL and on their letter.
- 7) The **Cuneo Province Castles Award (D.C.P.C.)** is free **online** for who have at least **10 different Castles** contacted of this Province and with the D.C.I. Award in the hand. In paper parchment to send **13 Euro** or **17US\$** each as contribution (shipping and handling costs for Europe), **15 Euro** or **20US\$** (shipping and handling costs outside Europe).
- 8) The **D.C.I.** award consist of personalized parchment paper to colours of the dimensions 297x420mm in size.
- 9) The **D.C.P.C.** award consist of personalized parchment paper to colours of the dimensions 210x297mm in size.
- 10) The **endorsements** consist in an adhesive colour sticker showing the Italian Regions, and it will be granted to have worked at least **3 Castles for every Region**. For the request annex **SAE + 4 Euro** or **5US\$** (shipping and handling costs for Europe), **SAE + 5 Euro** or **7US\$** (shipping and handling costs outside Europe).
- 11) The **list of the Castles** is available on the web site at: <http://www.dcia.it>
- 12) The Radio Amateurs that have activated at least **3 Castles**, has right to apply automatically the **D.C.I. Operator Award** with the relative **sticker** of the activated Region and he can accredit own activity.
- 13) Callsign of those giving information concerning Castles not listed in the directory or to correction will be mentioned on the first page of the directory as contributor.
- 14) Each O.M. or S.W.L. can send own updating each time he want but with a minimum of **2 month** from the previous request.

Section Activators

- 15) An activation, for the Award, will considered valid only if will be respected following rules:
 - 15.1) The station (antenna, radio, current, etc.) will have to transmit to a maximum distance from the Castle of 500 meters.
 - 15.2) The station will have effected at least **100** contacts in HF or 30 contacts in VHF.
 - 15.3) The station will have effected at least **80** contacts in HF or 15 contacts in VHF for an activation already accredited also from others operators.
 - 15.4) For activation (**in the same day**) to which participates more than an operator, the reference will be accredited to the holder of the nominative (100 QSOs if it is the first activation or 80 QSOs if it is the second activation). To get the accredit for **other operators** (the 2°) he will have to do least other **50 QSOs** with home call, **from the 3°** the number of QSOs **must be at least 30**, without limit of time and using 40 meters and also other band.
 - 15.4a) For activation with **Radio Club or Special Call**, the reference will be accredited for all of the operators that will be on the air, with clear photographic evidence of the presence of he same at the station (so not only visitors), respecting the point 15.2 (always 100 Qso in the two bands) and 15.6.
 - 15.5) Are not admitted any activation or will be thought valid operations in which the activator QRP is declared.
 - 15.6) It is not possible to activate contemporarily more **than 1 reference** and are not permitted more than **4 activations a day (with a maximum of 3 new-one)** with the same callsign. The duration of the activation **has to be superior to 1,5 hour (new one) and 1 hour (reactivation)** and in addition to the band of 40 meters a second band (20m, 30m, ect.) must necessarily be used.
 - 15.7) - Electronic shipment of Logs (only on **ADIF form as specified on FAQ module**);
 - clear photograph documentation of the reference;
 - photo which prove the activation (for those living is needed a topographic map of the own country with marked the distance from the own house and the reference), the photos must be of dimension between 300 and 500 Kb;
 - request of accredit form of the operation;
 - **two files with extension. kmz** with the coordinates of the location produced by the program Google Earth (as specified on FAQ module); **one file for transmission place and one file for the exact position of the DCI reference. They will be necessary to determine the distance between place of transmission and DCI reference and to calculate the geographical coordinates for the POI updating.**
 - Short movie of the activation in MOV. MP4, MPEG or others format (not obligatory, but recommended).

- if available special authorization;
 - must be sent to the Technical Award Manager **within 15 days from the activation** via e-mail to: dc_info@alice.it (all zipped or compressed on only one folder) and sent for knowledge to ik8shl@alice.it
- 15.8) To the attainment of the **500 QSOs** already accredited for the same reference it won't be more necessary to send the logs and photo.
 - 15.9) The final courtesy of a QSO is always the QSL. **We recommends to the activator to send the QSL by the bureau**, independently if the QSL cards has been received. It is possible to put on the QSL more contact and references.
 - 15.10) Will be not considered to the same activator further activation if the previous is not ended and not reached the requested quorum as per the point 15.2) and 15.3). Activations not completed must be informed immediately to the Award Manager and the activator must perform instructions received from the Award Manager, which are on his appeal able judgement. If there is impossible to end the activation also on another occasion, will be necessary to send all documentation to the Award Manager who will answer to the activator giving all necessary instructions. These are not under judgement.
 - 15.11) Will be not considered to anyone further activation if for the previous, the activator has not sent request valid documentation via e-mail (log, photo and validation form **within 15 days from activation**. If there are valid cause to respect those timing. For this purpose Manager must be obligatory informed.
 - 15.12) To activator that is behaved in different way from the regulations or other improper actions, to judgement of the Award Manager and of the President of Section ARI of Mondovì , titular of the Award felt the opinions of the Technical Award Manager, and after to be informed to average letter (also via email), the following endorsements could be sanctioned:
 - a) notice
 - b) suspension from the activations for a period not less of 1 month and till a maximum of 24 months
 - c) definitive and irrevocable disqualification as DCI activator
 - 15.13) After the validation the logs cannot have integrations or modifications. After 3 month the logs cannot have integrations or modifications
 - 15.14) **During the DCI Meeting, held in the 3° weekend of September, activities are prohibited.**
 - 15.15) Only for Italian Stations
 - 15.16) Only for Italian Stations
- 16) The Castles will be considered valid if indicated on geographical map 1:25.000 or on the General Castles Repertory of Italy or with the census procedure as per point 17.
 - 17) The Castel will get a reference number as per the following example:
 - DCI-CN001 (Castle - Province - progressive Number).
 New request of reference must be submitted to the Responsible Technical and Historical Consultation ik8shl@alice.it, if the technical opinion give the approval, than the Technical Award Manager will assign the number. **The application form must be accompanied by historical sources from books, Websites or Municipal statements. The time fixed for the paternity of the new references since the date of the release is 15 days.** Activity from other activators in the paternity period will be not accredited.
 - 18) The **Regional Responsible, Foreigners Checkpoint and collaborators** are listed the document **DCI_STAFF** downloadable from web site at <http://www.dcia.it>
 - 19) Those **References** not visible due to the fact that are inside private properties or hidden from vegetation will be not recognized are not activable and must be cancelled. The same thing is for those which are forbidden to make photos due Military Installation or for expressed request of the property. Furthermore if are already on the database will be not possible to be activated anymore and it is necessary to request deletion. If some reference already assigned do not meet anymore requested criteria, e/o in the time lost conservation status it is necessary their deletion using the specified module. Building of architecture "neo castellana" which are never been used for military purpose e/o for defence are not possible to be recognized. For all not included here follow point 20.
 - 20) **Definition of Castle.** Castles, towers, bastions, house-forts, house-towers (tower at home), walled city or villages, bastioned and fortified city, citadels, fortresses, forts, shelters, civic or fortified doors, ducal Palace bastioned or fortified, castle or imperial villas, and all Italian buildings of the Middle Ages, royal building and palace, renaissance and **till 1900**. Forts, bunkers, batteries and refuges, not logistically attainable or not accessible and the Baronial Buildings will be not valid. If some DCI references assigned don't have these characteristics can be cancelled through the special predisposed form.
 - 21) The task of **Regional Responsible** is to coordinate and supervise DCI activities on the own Region in collaboration of the Awards Manager of the award.
- RECOGNITIONS FOR ACTIVATORS AND HUNTERS**
